INTRODUCING THE NEW

URBAN

TRILOCK 

Urban styling is combined with Trilock® functionality to create one of the most secure and stylish entrance systems on the market.

**NEW BRUSHED SATIN
CHROME FINISH**

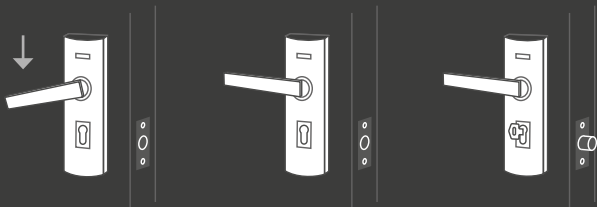

URBAN | TRILOCK

Gainsborough

New one-hole design

The new one-hole design, makes the Trilock® urban easy to install, whether it's a new fit, or replacing an existing key in lever door handle.

How Trilock® works

Passage mode -
Outside and inside unlocked

Privacy mode -
Push button on inside.
Outside locked and inside unlocked

Deadbolt mode -
Turn key. Outside and inside deadbolted

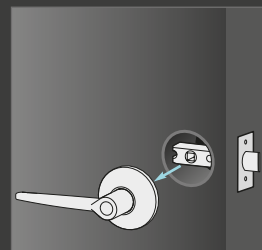

The Trilock® '3 in 1' locking mechanism has been awarded with an Australian Design Mark® for Good Design by Standards Australia

GAINSBOROUGH TRILOCK
Designed in Australia
Licence No. 96315
Good Design Australia

Easy to install, suits most doors

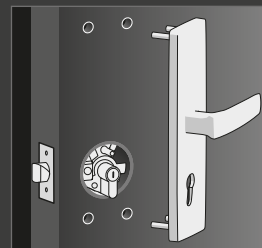

Easily replace an existing lock set.
Suits door thickness 33mm to 45mm.

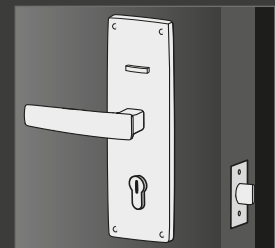

1 Remove existing door furniture

2 Drill 4 holes for mounting posts & insert lock body

3 Insert posts to external plate & mount to door

4 Mount internal plate and screw to door

Complete the look

Match your internal door handles with your Trilock® for a consistent look inside and out.
